

Problem-Solving:

Plan a Stress-Free Trip to Latin America

In this unit, you will use the problem-solving, 4-step process to gather information about your assigned Latin American country. You will be creating a Scrapbook with information about your trip for potential tourists. You will talk about your experiences in the past tense- sometimes in English, and sometimes in Spanish.

Introduction to your Scrapbook

1. Who are the travelers?
2. What is the destination?
3. What is the reason for travel?
4. How long will you be traveling?

****You must include a picture of your group on your introduction page****

Table of Contents
